

## Assignment Lec (6)

(1) Write a C Function to count the number of ones in the binary representation of a 32-bit integer.

(2) Write a C Function that returns the maximum number of Zeros between two ones in the number binary.

Example:

Input binary = 10110010001010000011100010000110

Output = 5
